

## Extra Lunch Items (Ala Carte) Information

This year we will be selling several extra items in the lunchroom. This means that your child may purchase these items in addition to his or her lunch tray. All children may purchase all of these extra items except for the iced tea which is for High School only.

These extra items will include:

Extra Main Course \$1.00

Extra Vegetable or Fruit .75

Extra Milk .50

Ice Cream(3 prices) .25-.50-.75

Ozarka Spring Water .75

Iced Tea (Grades 9-12 only) .50

Please read the following options and check the **one** that you would like for your child or children:

\_\_\_\_\_ Extra Item (Ala Carte) Cash Only

This means that I will send money on a daily basis for my child to be able to purchase extra items.

\_\_\_\_\_ Daily Purchase Limit (Extra Items)

This means that I will send money to be applied to my child or children's accounts, but I am setting a limit of no more than \$\_\_\_\_\_ to be used for extra items daily. This would allow your child to purchase extra items from his regular lunch account but you as a parent would set the amount that he or she could spend for extra items on a daily basis. This limit can be set up on each child's individual account. (This option is helpful if you would like your child to have some of these extra items but do not want to have to send extra money everyday.)

**Students may not purchase extra items unless they have money in their account or brought money from home that day. There will be No charging of extra (Ala Carte) items allowed!!!**

**Child's Name:** \_\_\_\_\_

**Parent's Name:** \_\_\_\_\_

Please call if you have any questions. I will be glad to explain. Thanks Rhonda Williams, Food Service Manager, 993-2611 Ext. 230.

# Money Sent to School

Parents, please put your child's money in an envelope if at all possible. On the outside of the envelope write:

1. Child's Name

2. Grade

3. Write what the money is to be used for:

- Ice Cream .25 - .50 - .75
- Water
- Extra Entrée
- Extra Milk
- Lunch & Breakfast Money Only
- Field Trip Money
- Or any other reason

The easiest way for you to handle this is to say that you want to have all the money applied to his or her account and just place a limit on the extra items bought each day. I can place this limit on my computer on their account so they will not be going into their breakfast or lunch money to purchase extra items.

Please let your student know you have set a limit of how much they can spend each day on extra items.

Even if your child eats for free, you can still put money in his or her account for extra items. You don't have to send extra money daily for ice cream or other items.

If the money is to be applied to lunch and breakfast only then I need to know this also.

If you have any questions please feel free to call anytime I will be glad to let you know exactly how much is in your child's account, or answer other questions you may have. If your child had money left in his or her account from last year it rolled it over to this year.

Thank you, Rhonda Williams, Manager, 254-993-2611 Ext.230
